Dear Shotokan Friends

The technology of the last decades has marked profound changes in the world, with extraordinary effects and implications in social, economics, culture, art, sports, a.s.o
The Olympism itself, as well as the Olympic Concept have evolved.

However, Karate-Do's Fundamental Values,

Spirit and Philosophy have resisted, Karate-Do Styles and Sports Karate, being inseparable.
For those who love Karate Sports, The Olympic Dream of Karatekas has become a reality today, thanks to WKF.

The main WSF's goal means the respect of this Karate-Do philosophy, honest and open cooperation for the improving the WSF's strategy and management for a high technical level, involving the people who have performed and have a big expertise and experience, experts of Shotokan Karate Do as WKF members and not only.

We need a hard work for all of these responsibility and expertise too. So we are waiting all people interested to join us and together to achieve our shotokan international goals.

I really hope and believe that WSF will become in next years, more and more, one of the strongest shotokan style federation in the World of Karate-Do. **The 11st European Shotokan Championships**, it will be a big occasion and opportunity for all of you to compete and to spend wonderful moments of your life.

Please don't forget winner or not, be sure you have a big "victory" for yourself, a "life medal".

Sincerely yours
