### **IMPORTANT NOTES**

#### **Photography and Recording**

The BKF plan to engage a photographer who will take action shots of the competitors as well as a live stream to YouTube. Video and photographs will be taken at the event for promotional purposes, however should anyone have a concern please contact the event organiser prior to the event.

#### **IMPORTANT NOTES FOR COACHES:**

Only NGB accredited coaches are permitted in the Tatami area and must display their accreditation badges upon entry. If the badge is not shown, a spectator fee will apply.

Anyone wishing to coach at the Tatami must have NGB accreditation to verify that they are aware of the required rules, responsibilities and expected conduct. **Without this accreditation a coach pass will not be issued by the event organiser.** All coaches must register via Sportdata.

#### Coach: Dress code:

Coaches must be in association tracksuits and clearly display their coaching ID badge. Inappropriate dress, as deemed by the Chief Referee, will be refused access to the competition area. Only coaches adhering to the correct dress code and in possession of a coaching pass will be allowed on the competition area.

#### **Coach: Medical**

We record every injury that gives us the slightest concern, however symptoms often occur after the incident and we would ask that the coach or representative informs the medical team of any concerns he or she has at the time of the incident, or any time after, no matter how trivial it may seem.

#### We fully intend to have Repechage for CADETS, JUNIORS and SENIORS Individual Kumite and Kata.

However, the Chief Referee has the authority to withdraw repecharge if the time frame becomes critical. *Competitors can only compete in their own categories and cannot move up to compete in another category.* 

In the unlikely event of low category entries the organisers reserve the right to amalgamate categories.

**Insurance:** It is the responsibility of each individual, or parent / guardian of a competitor if under 18 years of age, to have their own insurance cover for the event. Please advise your competitors accordingly regarding insurance cover. It is the responsibility of the clubs/coaches to ensure that all competitors are aware of this and have been advised of adequate cover. Association/club parental consent to compete is also required.

This is the responsibility of the association.

Health and Safety issues have been discussed and we try to plan for every eventuality. However, this is a busy tournament and due care and attention is required in all areas. Would all coaches/parents ensure that their children are properly chaperoned. Karate matches are performed in bare feet; please ensure proper footwear is used in the arena and surrounding areas, especially approaching the mats.

Disclaimer: Karate is a martial art and contact sport. People can and do get injured and we cannot accept responsibility for any such injury, loss or accident arising from your participation in our training, competitions or associated activities and ask that you are aware, agree and accept this by entering or giving permission to enter this event. We should also be notified, in writing, of any medical condition that may have relevance to their participation in Karate.

If you require any further information or assistance, then please contact the Tournament Organiser Raj Bhardwaj via raj@knowitall.co.uk

# Publication of the draw and timeline

A first draft of the draw will be published on Monday 10<sup>th</sup> September 2018 via Sportdata. In an abundance of transparency, Coaches will be welcome to view the draw being conducting by joining a Skype conference call; please send the Event Organiser a Skype friend request (Skype ID: rajknowitall) by the 8<sup>th</sup> of September if you wish to view the draw in real time.

The timeline for the Championships weekend will be published on Tuesday 11<sup>th</sup> September on Sportdata.

#### BKF Chief Referee: Mr Dale Gamble: REFEREES' BRIEFING 8.00am

# Housekeeping

**Bags and equipment** should not be left where they potentially present a trip hazard. Nor should they be left at the side of the Tatami whilst competing.

Spectators in the seating area should remain seated. Spectators should not stand by the barriers adjacent to the Tatami as this blocks the view of seated spectators and causes a potential health and safety hazard.

# **Official Hotel**

The BKF has secured a discounted rate for those attending this Championships with the Holiday Inn Leicester, 129 St. Nicholas Circle, Leicester, United Kingdom, LE1 5LX. <u>https://www.holidayinn.com/leicester</u>

Details of how to book will be published in an updated bulletin shortly.

### **Athlete Operating Procedure**

Each category (or pool of a category) is scheduled to run on a specific Tatami. The category will be clearly announced over the public address system and the athletes in that category should then make their way to the holding area.

Holding areas for each Tatami will be clearly designated in the area adjacent to the Tatamis, behind the green curtain. Coaches should ensure that their competitors have assembled in the correct holding area.

A Tatami volunteer will then collect the competitors, one by one for each match. The first visit for any category (or pool) will select competitors for the current bout plus next bout. Bout competitors will then take a seat in the allocated area awaiting their bout.

Coaches should consult the available draw sheets to determine the competitor position in the draw. (This is available via Sportdata and is also displayed within the arena area.)

Please note that once called, competitors should remain within the **holding area** to ensure that they do not miss their bout. It is the coaches' responsibility to have competitors available for the bout as it is called.

Compliance with the above procedure will help to maintain a constant flow and avoid competitors missing their bouts. Your support in this procedure is appreciated.
