Dear Friends,

We would like to invite you to the biggest international tournament in karate for youth and adults, which is held in the Czech Republic.

The tournament, which launched its own history at the turn of the millennium in 2000, found in the last years of European and world elite and became highly sought after preparatory tournament for many federations.

We are very happy to welcome family karate from around the world that will host one of the great sports towns in the Czech Republic. City of Pilsen trained many famous athletes and stars not only karate, but from a very wide field of sports.

We are proud that the tournament has been held for the seventeenth time, when this year the city of Pilsen, was last year the European City of Culture. A right combination of sport and culture, and of course a good drink is our biggest draw for all participants in this tournament.

Once again, therefore we would like to invite you to this event and look forward to your participation.

Sincerely,

Marek Kubin
Chairman of Organizing committee

Words of the ViceMayor of the City of Pilsen on the 19th Karate Euro Grand Prix

It is an honour for the City of Pilsen to host a prestigious competition of young karate fighters Euro Grand Prix.

Although I cannot master karate I am aware that this old Asian martial art is a demanding and attractive sport discipline and it is pleasing that a lot of young people go in for it. I think that young people learn discipline, tenacity, fast reactions and movement abilities when doing karate. If it is used and trained according to methods of ancient Japan martial art masters it leads to creating of character, to strengthening of self-restraint and to responsibility. It is a kind of sport which develops

physical and intellectual qualities.

I wish the Pilsen tournament every success, very good and fascinating performances, great public interest and a largest possible number of participants who I greet sincerely in our city.

Jime.

Mgr. Martin Baxa

ViceMayor of the City of Pilsen

Dear athletes, coaches, referees and supporters karate,

Let me add my invitation to the traditional karate tournament for youth in Pilsen.

Our Foundation has for many years supported the growth not only of your sport, but a lot of other sports, they work well as enthusiasm for the future, ie with children and youth.

It is symbolic that Pilsen, which has in its ranks a wide range of athletes at all levels, supports just your sport, which is probably best known for Pilsen native Petra Nova .

Therefore, I would like to wish the organizers of the nerves and calm the athletes success enthusiasm and vigor, coaches a good strategy and impartiality of the judges and a sharp eye.

Good luck

Mgr. Frantisek Berka
Chairman of the Board of Youth sport foundation
